## Our Specialized Care Services include:

### 1. Oncology Care

We understand the physical and emotional challenges faced by cancer patients. Our oncology care team provides expert medical care, emotional support, and guidance throughout your treatment journey.

*Q: What does oncology care entail?*

*A: Our oncology care team includes nurses, specialists, and therapists who work collaboratively to manage symptoms, side effects, and treatment plans.*

### 2. Respite Care

Taking care of a loved one can be rewarding, but it can also be physically and emotionally demanding. Respite care provides temporary relief, allowing caregivers time for self-care and rejuvenation.

***Q: How can respite care benefit me***

***A: Our oncology care team includes nurses, specialists, and therapists who work collaboratively to manage symptoms, side effects, and treatment plans.***

### **3. Geriatric Care**

As we age, our needs change. Geriatric care focuses on the specific healthcare requirements of older adults, promoting independence, dignity, and overall well-being.

***Q: What services are included in geriatric care?***

***A: Our geriatric care team provides assistance with daily living activities, medication management, chronic disease management, and social interaction.***

## 4. Pediatric Care (including children with special needs)

Our team is trained to ensure each child receives the support and attention they deserve to thrive.

*Q: How does Amen Caring Services cater to children with special needs?*

*A: Our pediatric care team includes professionals experienced in working with children with various special needs, creating personalized care plans to meet their individual requirements.*

## 5. Palliative Care

Palliative care focuses on improving the quality of life for individuals with chronic or life-limiting illnesses.

*Q: What is the difference between palliative care and hospice care?*

*A: Palliative care can be provided alongside curative treatment, while hospice care is typically reserved for individuals with a life expectancy of six months or less.*

## 6. Hospice Care

During a terminal illness, Amen Caring Services offers compassionate hospice care, focusing on comfort, pain management, and emotional support for both patients and their families.

*Q: Where can hospice care be provided?*

*A: We offer hospice care in the comfort of your own home, a healthcare facility, or a nursing home, ensuring familiarity and peace of mind.*

## 7. Nursing and Surgical Care

Our team of qualified nurses provides a variety of services, including medication administration, wound care, injections, and pre- and post-operative support.

*Q: What types of surgical care support do you offer?*

*A: We offer pre-operative education, companionship during procedures, and post-operative care to ensure a smooth recovery.*

## 8. Nursing Exam Training

Are you aspiring to become a nurse? Amen Caring Services offers comprehensive nursing exam training programs to equip you with the knowledge and skills to succeed.

*Q: What Nursing Exam Training do you offer?*

*A: We offer training programs for various nursing exams, including the National Council Licensure Examination for Registered Nurses (NCLEX-RN).*
